Please turn off all cell phones and any other noise making devices before the performance begins. Photography and video recording of any kind is strictly prohibited.

Parking

- Free parking is available on campus in lots along Blue Ridge Road and close to the main museum buildings.
- Accessible parking is available in the plaza between East and West buildings and behind West Building.
- Taxi and ride-share app drivers should make an immediate left after entering the campus and follow signage for drop-off, so riders can find the end of the line. (Please note: taxi and ride-share app drop-off is no longer located in the circular plaza near the entry gates). At the end of the performance, please use the plaza outside the entry gate for all taxi and ride-share app pickups.

Food and beverage

- The NCMA permits factory-sealed plastic water bottles and empty refillable water bottles at entry. Otherwise no outside food or beverage is allowed in the amphitheater.
- Water fountains are available near the restrooms to fill your bottles once inside the gates.
- The NCMA offers beverages and snacks for purchase, including a variety of alcoholic and nonalcoholic beverages.
- You must be at least 21 years of age to buy and consume alcohol. IDs are checked at points of sale.

Accessibility

- Visitors with wheelchairs or limited mobility may be dropped off in the circular plaza near the entry gates or park in an accessible parking space.
- Wheelchair seating and wheelchair-accessible restrooms are available. Please contact [Felicia Ingram](#), manager of interpretation, accessibility, and diversity, with questions or to arrange assistance in advance.

Weather

- If there is a high probability of heavy rain forecast for the night of an outdoor ADF performance, please check the ADF [website](#), [Facebook](#), and [Instagram](#) accounts for updates.
- The performance will go on rain or shine unless weather endangers the performers or the audience.
- Should lightning strike within an 8-mile radius or thunder be heard, the concert will be paused for a minimum of 30 minutes. Patrons will be asked to evacuate and remain in their cars and await updates on if/when the performance will resume. (Note: the 30-minute clock restarts each time lightning strikes within an 8-mile radius or thunder is heard.)
- In the event of inclement weather during the concert, an announcement will be made from the stage about taking shelter inside one's vehicle. Updates about the dance company's return to stage or the show's cancellation will be posted to the Museum's Facebook and Twitter accounts. Security will be on hand with updates as well.
- Standard-size umbrellas are allowed but are not to be used during the performance.
- **There will be no refunds for weather cancellations. Canceled ADF dance performances tickets may be used for another dance performance during ADF's 2021 season that runs through Thursday, September 16. You must bring the canceled tickets to the new dance performance of your choice for entry.**
