Ride Guide

First time riding a Duke/Durham bus?

- 1) Get to your stop 5-10 minutes early and wait where the operator can see you.
- 2) As the bus approaches, check the sign above the front window to make sure it's the route and destination you want.
- 3) Signal the operator that you wish to board.
- 4) Be ready with exact fare, ticket or pass. Stay back from the curb and wait until the bus comes to a full stop, before boarding and paying your fare. [Learn more about fares and passes.](#)
- 5) Passengers with disabilities and elderly people have priority seating in the side seats and first rows in the front of buses, so please allow them priority in those seats.
- 6) If the bus is crowded, GoDurham allows passengers to stand. If there appears to be no standing room, please wait for the bus operator to create room.
- 7) Major stops are announced. If you're new to the area, just ask the operator to call out your destination.
- 8) About a block before you want to get off, push the black or yellow plastic strip or pull the cord above your head to request the next stop.
- 9) Exit through the rear door.

Track Your Bus

- Download the TransLoc Rider app to locate your bus in real time. Find the app at translocrider.com, the Apple Store or [Google Play](#).
- Visit triangle.transloc.com and choose **GoDurham** OR **Duke University** and your route to locate your bus in real time.
- Text "Golive" plus your stop ID to 41411 for arrival information. (Your stop ID can be found on the bus stop sign.)
